

Work plan 2017

Under the advocacy and partnerships activities at EU level, ANE will:

- Provide timely input into various consultation processes in close coordination with other partner-organisations,
- Influence relevant EU decision making,
- Participate at relevant meetings of the partner-organisations

Partner organisations		Objective	Date/timeline
IndustriAll Executive committee		To have an overview of activities, priorities and strategy development and their impact on ANE organisations. In addition, each organisation follows the activities of concrete working groups, especially the WGs on industrial policy and white collars.	7-8 June, London 12-13 December, Brussels
IN	Coordination meeting	To exchange information and experiences, align positions on common grounds and influence relevant agendas in the network with like-minded countries	19 January, Stockholm 19 April (tele meeting at 9am), 10-11 May, Vilnius
	Executive committee		30 March, Stockholm 30 November, Stockholm
	National Forum		27-28 June, Reykjavik
FEANI	General Assembly	To take part in the coordination and contribute to the development of FEANIs new strategy on an overall strategic level. Follow and influence decision-making on relevant topics, such as common training principles and recognition of engineering educations and mobility for engineers in Europe.	5 October, Vienna
	Regional Group		
	NMF		2 March, Brussels
The Association of German engineers (VDI)		First visit to exchange best practices and explore cooperation opportunities	9-10 January, Düsseldorf
		Follow-up visit of VDI to NITO, SI and IDA	16, 17 and 21 March, Stockholm, Copenhagen and Oslo
UNI P&M	Global	This is the only global organisation focusing on union matters for professionals and managers, and therefore the input and influence from ANE is of big importance in this forum. Active participation in the Nordic network secures right positioning in the European and global levels.	ANE is represented here by Ulf Bengtsson, former ANE President, who holds the elected position of the President of UNI Global until 2019
	Europa coordination meeting		16 th January, Berlin 27 th April, Brussels
	Nordic network		11 th January, Copenhagen 4 th April, Oslo
	EU policy Making working Group		3-4 times a year

In order to facilitate knowledge building and networking at Nordic level, ANE envisages to:

- Conduct a set of different meetings with the aim at investigating on cooperation possibilities and creating closer ties with the Nordic Council of Ministers, Nordic Council and other relevant bodies,
- Engage experts into cross-organisation cooperation, concrete projects and knowhow sharing sessions.

Thematic focus	Objective	Date/timeline
Education/skills	Organise stakeholders discussions to decide on the contribution to the work of the EU STEM coalition	3 rd March, Copenhagen
	Competence development –The session will shed light on the new requirements for skills and competence acquisition to close the mismatch between the supply and demand for engineers.	15 th May, Stockholm
	Share experience and exploring possibilities on IT competence development in joint coordination with the Nordic network for adult learning (tbc)	Fall
New world of work	A dedicated session organised during the ANE workshop. Questions such as adoptability to new paradigms and patterns, role of engineers in digitalisation and new production technologies, as well as the readiness of the organisations to better service their members in the constant changes will be addressed during that session.	15 th May (parallel session)
	A follow-up session will be organised at the UNI P&M Europa conference, which will be hosted by ANE.	12-13 th September, UNI Europa P&M conference, Copenhagen
Sustainable development	Engage experts in discussions about the priority areas for 2018-2018 cooperation	24 th October, Stockholm (joint with policy department directors meeting)
Norden	Meeting with the Nordic Council of Ministers and Danish Business Authority, the project manager of the Automation and digitation in the Nordic manufacturing sector	10 th February, Copenhagen
	Meeting with the Innovation Center to investigate on the cooperation possibilities within the new work programme of the Norwegian Presidency	April, Oslo

With the aim to raise awareness, ANE will:

- organise visibility and branding interventions,
- promote ANE activities at relevant meetings.

Thematic focus	Objective	Date/timeline
Study tour to India	Enable ANE a week long deep dive into learning, inspiration and insights on different shifts related to rapid technological change and its impact on labour markets.	30 January - 4 February, Bangalore
ANE 10 years anniversary workshop	Learn from each other and dive into the cross-organisations' cooperation. Particular aim of this workshop will be to mark the anniversary internally, raise visibility within the three organisations, demonstrate the good existing practices within each organisation and discuss the challenges related to the competence gap, digitalisation and new ways of work, and the ethics in the artificial intelligence.	15 May, Stockholm
Nording	Use this forum to get updates on the undertaken activities in the Nordic organisations and raise awareness of ANE	21-22 August, Reykjavik
UNI Europa P&M conference on the future world of work	ANE will host the conference and will have the responsibility to set-up a dedicated session with the aim to follow-up on the outcomes from the 15 th May ANE workshop and use this opportunity to get a greater visibility	12-13 September, Copenhagen
